

To whom this may concern:

My name is Andrew Friedel and I am proud to offer my recommendation of Nicolas Combe Guitierrez to whom I have had the pleasure of knowing this past ski season at Hunter Mountain as my employee.

During his time at Hunter Mountain Nicolas has demonstrated various traits of a responsible individual who works hard, and carries himself in a respectable and polite manner. In addition, Nicolas is very eager to learn and applies his knowledge through his work that creates an environment that others enjoy to work with and around. His role as a food service worker is just a small feat in what his future holds. I firmly believe that Nicolas can adapt to any work environment and excel in any task or project that is given to him.

If you have any further questions or would like to speak to me personally, please feel free to contact me.

Sincerely,

Andrew Friedel
